

CPP CHEMICAL TONER

Ricoh IM C4500/4500A/ 5500/5500A/6000
C3000/3000A/3500/3500A C2000/2000A/2500/2500A

HIGHLIGHTS AND BENEFITS

- Tested & approved to be equivalent to OEM in
 - o Image quality
 - o Yield
 - o Fusing Properties
- Chemical Polymerized Toner to match OEM in performance & quality
- Maintains consistent image quality over product life
- Fully compatible with OEM toners.
- Higher profit margins at OEM quality with lower cost

BENEFITS OF POLYMERISED TONER

- Particles are smaller and more uniform, producing a higher image quality with:
 - o Fine lines
 - o Sharp text
 - o Smooth colour gradients
- Works well with different paper weights and coating types
- More efficient to produce due to recycling in the production process. Therefore, minimising waste and cost
